## Attendance numbers

As this is a non-ticketed event, the Careers Expo visitor numbers can only ever be estimates. The estimates are based on the online registrations and magazine orders from schools across the country along with door counts where possible. Online registrations continued to record solid support from schools and the community with similar numbers year on year. Auckland enjoyed an increase in attendance, primarily from the joint venture with the Auckland JOBFEST visitors on top of an increased number of school registrations.

Exhibitor numbers increased by 21% across the country with 127 exhibitors attending across all 4 expos. See 2018 exhibitors list.

Attendance numbers	Registered schools	Estimated attendance
<b>Auckland</b>	85	14,250
<b>Hamilton</b>	39	6,500
<b>Wellington</b>	42	6,800
<b>Christchurch</b>	49	10,500
