

Profile your organisation inside the 2019 Careers Expo/JET Magazine

The Careers Expo magazine provides a valued tool for school teachers, students and their families.

Supplied directly to every registered attendee, with copies available to everyone attending the expo.

A joint venture with JET magazine and NZ Careers Expo will see an 'all new' Careers magazine to support the 2019 NZ Careers Expo!

This new publication will provide greater content and value for students, families and schools with the full publication of JET magazine combined with the Careers Expo focused magazine and student passport.

This publication will be in hot demand in schools, with a longevity that will see this publication remain in circulation for many months in 2019.

Key facts:

- The 2019 Expo magazine is distributed directly to every registered student in advance of attending the 2019 Expo
- Copies available on site for every attendee at each Expo venue.
- Easy to read format and topical
