Attendance

As this is a non-ticketed event, the Careers Expo visitor numbers can only ever be estimates. Estimates are based on school registrations, comparisons to previous year attendances and door counts where possible. Online registrations continued to record solid support from schools and the community. Auckland enjoyed an increase in attendance, primarily from the joint venture with ATEED 'Go with Tourism' visitors on top of strong school support. Wellington produced a great result, given the planned teachers strike was only cancelled the week prior to the Expo. As expected, both Christchurch and Hamilton showed consistent support from schools and community.

Attendance numbers	Registered schools	Estimated attendance
Christchurch	48	10,900
Auckland	68	14,750
Hamilton	39	6,700
Wellington	42	5,700
