

Attention all NZ Careers EXPO Exhibitors

Breaking news!

**Auckland JOBFEST to run alongside the NZ Careers Expo
ASB Showgrounds. May 2018**

Following talks with the organizers of the Auckland council JOBFEST, it has been agreed that the 2018 JOBFEST will run alongside the Auckland NZ Careers Expo

While the NZ Careers expo is a 3-day event open to visitors from Thursday to Saturday, the JOBFEST will operate for one day only on the Thursday 24th May. Opening times to visitors remain the same 10am-3pm, 5-7pm.

Previously, the JOBFEST has operated in a separate location and at varying times from the Careers Expo. However, organisers see significant benefit to those attending, and well as a great deal of added value to the exhibitors of both the Careers Expo and JOBFEST in this synergy. With the primary vision of JOBFEST being to match youth with employers and available jobs, the benefits to both the JOBFEST and Careers Expo visitors is significant with each offering being slightly different in focus, yet highly complementary.

We believe both Career Expo exhibitors and JOBFEST employers will benefit from the growth in visitor attendance on the Thursday as well as the increased awareness of the events in the Auckland market. This coincides with Auckland youth week.

While both events are occupying the ASB Showgrounds, there remains a clear separation of identities and roles. Career Expo exhibitors will occupy Hall 2, downstairs from Thursday to Saturday as usual, with the JOBFEST employers located upstairs on Thursday only, including the late-night session.
