

Attention all NZ Careers Expo Exhibitors

## **Breaking news!**

**New tourism initiative to join with NZ Careers Expo in Auckland at the ASB Showgrounds. 23-25 May, 2019.**

NZ Careers Expo has teamed up with 'Go with Tourism' – a new and game-changing job connector platform, spearheaded by Auckland Tourism, Events and Economic Development (ATEED), that aims to get young job-seekers into tourism roles.

The three-day Auckland event will be open to visitors from Thursday to Saturday, 23-25 May, at the ASB Showgrounds. Venue space will be expanded this year to incorporate this exciting new initiative.

The 'Go with Tourism' exhibit will engage with the emerging workforce to highlight the expanding opportunities within the tourism, hospitality and service sectors. Attendees will be able to take part in interactive activities, talk to industry experts and get the information they need to make an informed decision about their future.

'Go with Tourism' aims to educate the youth of Auckland of the great potential the tourism industry can offer them – a variety of career pathways and opportunities for the emerging workforce that can lead to a successful lifelong career; all of which complement the vision of NZ Careers Expo.

In turn, the benefits to Auckland of attracting and retaining young people is essential to meet the projected growth requirements in these sectors and is vital for future economic growth of the region.

With the addition 'Go with Tourism' along with all of our other exhibitors we believe this year's NZ Careers Expo will be bigger than ever. 'Go with Tourism' will engage with their own regional promotion of the event in addition to NZ Careers Expo promotion.
